

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Kristina Sue Turner v City of Grand Rapids**
Docket No. **267713**
L.C. No. **05-07962 CZ**

William C. Whitbeck, Chief Judge, acting under MCR 7.211(E)(2), orders:

The appellant's brief filed on January 20, 2006, is STRICKEN because it violates MCR 7.212(B), and because it raises numerous issues that the trial court never entered any order on. MCR 7.212(B) requires the appellant's brief to be double-spaced with one-inch margins, with type of not less than 12-point, and not exceeding 50 pages. The only two relevant issues are whether Travis Turner as guardian can basically represent Kristina Turner and whether plaintiff should have been sanctioned \$200.00 by the circuit court. The appellant shall file a conforming brief within 21 days of this order. This appeal can be dismissed if this Court's order is not complied with in both terms of the issues raised and the compliance with MCR 7.212(B). The Court has not yet made any decision as to whether Travis Turner as guardian can sign the pleadings in this Court.
